Location: Bangalore

ABOUT UNILEVER:

Be part of the world's most successful, purpose-led business. Work with brands that are well-loved around the world, that improve the lives of our consumers and the communities around us. We promote innovation, big and small, to make our business win and grow; and we believe in business as a force for good. Unleash your curiosity, challenge ideas and disrupt processes; use your energy to make this happen. Our brilliant business leaders and colleagues provide mentorship and inspiration, so you can be at your best. Every day, nine out of ten Indian households use our products to feel good, look good and get more out of life - giving us a unique opportunity to build a brighter future.

Every individual here can bring their purpose to life through their work. Join us and you'll be surrounded by inspiring leaders and supportive peers. Among them, you'll channel your purpose, bring fresh ideas to the table, and simply be you. As you work to make a real impact on the business and the world, we'll work to help you become a better you.

At HUL, we believe that every individual irrespective of their race, colour, religion, gender, sexual orientation, gender identity or expression, age, nationality, caste, disability or marital status can bring their purpose to life. So apply to us, to unleash your curiosity, challenge ideas and disrupt processes; use your energy to make the world a better place. As you work to make a real impact on the business and the world, we'll work to help you become a better you!

MAIN PURPOSE OF THE THIRD-PARTY CONTRACT MANAGER

To protect Unilever information assets through implementation and operation of a 3rd party supplier contracting governance framework, supporting the Standards & Governance Lead Manager in ensuring only those suppliers able to meet Unilever's security requirements are engaged by the Unilever business functions, that all suppliers have the required information security contract schedule included in their agreements and that contract compliance is monitored, maintained and appropriately reported.

To support the Standards & Governance Lead Manager in ensuring there are adequate information security schedules included in the overall supplier contracts so that the contract risk profile of 3rd party suppliers providing or supporting Unilever information and systems is adequately managed and addressed.

Key to the role is to support Standards & Governance Lead Manager with managing multiple stakeholders including business owners, legal, procurement, IT and suppliers.

Establish, implement and operate an information security third party supplier contract remediation framework, providing analysis and reporting to senior management and the executive team. Track contract status of suppliers such as managed service providers, cloud providers, business consultancies and external legal service providers and maintain an ongoing view of the risk profile.

OPERATIONAL SCOPE

Global across all IT, incorporating key linkages to Privacy, Legal & Procurement.
